ication

This year the Conifer staff would like to dedicate the yearbook to a lay faculty member who has been at St. Paul's for many years, Mr. Robert McClure. Mr. McClure, or "uncle Bob" as he is affectionately called by many of his students, is the Chairman of the Science Department and teaches sophomore biology. In addition to these duties he is also the moderator of the Wildlife Club. Mr. McClure's contribution to St. Paul has been not only in the academic field, but also in the spirit and attitudes he has instilled by his own example.

S.P.H.S. *Band*

Mr. Roy Mouton has done a tremendous job in building up St. Paul's first successful band in many years. The band amply demonstrated its musical prowess at many school events. They closed the school year with a concert presented for the enjoyment of students and parents.

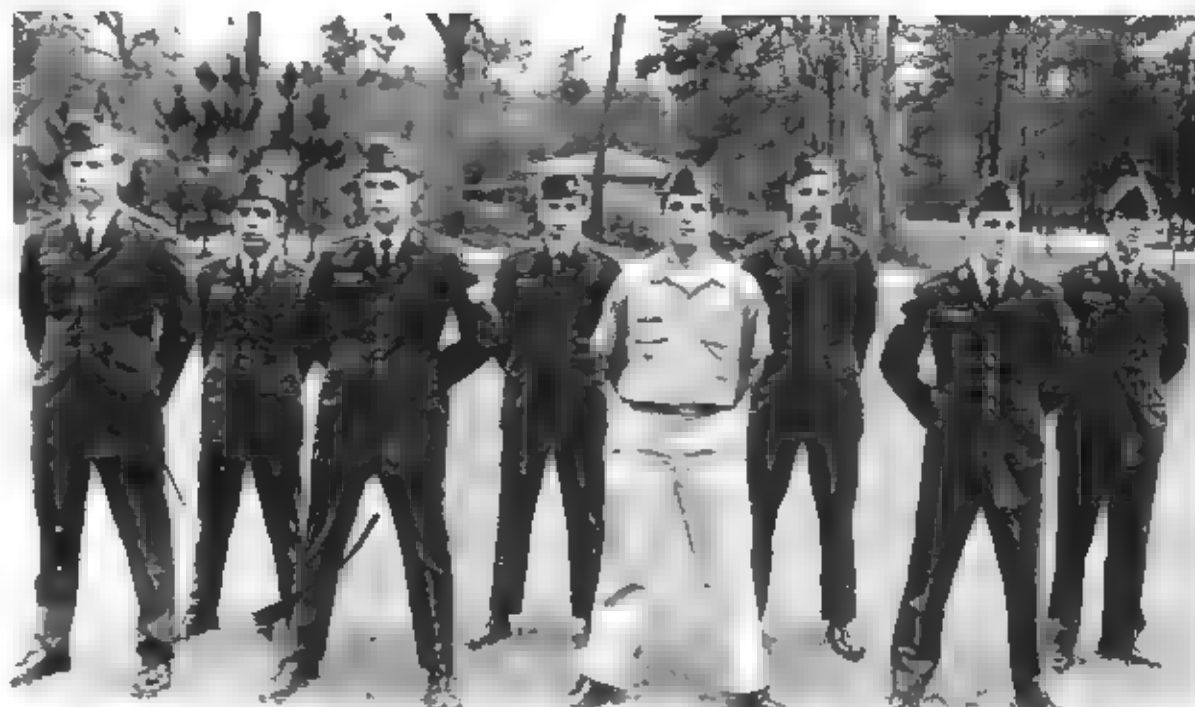

A.F. R.O.T.C.

The 1969-1970 school year marked the beginning of the Air Force R.O.T.C. program at St. Paul's. The program was offered to all students in the Sophomore, Junior and Senior classes. Lt. Col. Dugger taught aerospace education while M. Sgt. McGeehan took care of the Leadership Lab. Officers were drawn from the Senior class.

ildings

Students returning to the campus this past September found a few additions to the campus facilities. Boarders were treated to a new wing of LaSalle Hall and all the students were surprised to see the change that had taken place over the summer in L-5. The old desks were replaced by tiered chairs with fold down desks. The entire room was also carpeted and a screen the entire width of the stage was later added.

Senior Rings

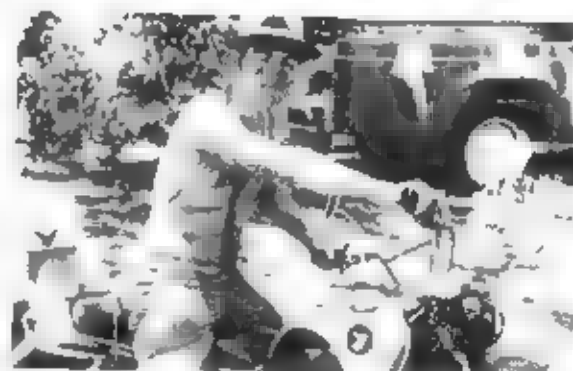

On the first Friday of the school year the seniors received their rings. In the traditional ceremony, mass was held and this was followed by a short talk given by Bro. Ephrem. The seniors were then called out individually to receive their rings. They also had the rest of the day off to celebrate the occasion.

Senior Day

Toward the end of the school year the seniors had their annual senior picnic. There was swimming, baseball, canoeing, and just plain goofing off which everyone enjoyed.

The Graduation

The Baccalaureate

Right: The 1970 graduates enter the gymnasium for the ceremonies.
Middle: The graduates were followed by Brother Steven, Brother Ephrem, Mr. Lambert.
Bottom: Fr. Hindmann opens the ceremonies with a prayer.

Wildlife Club

The Wildlife Club under the direction of Mr. Robert McClure was again one of the most active clubs on campus. Members were treated to several field trips throughout the year. The high point of the year came during the dedication of a tree near the chapel.

Rocket Club

The 1969-1970 school year witnessed the further growth of the relatively new Rocket Club. This year the club, under the direction of Brother Douglas, made good use of the facilities provided by the Jr. A.F.R.O.T.C.

Student Council

The Student Council meets once a week with a faculty advisor to bring the students and faculty closer together. The six members of the executive council were E. Deano, W. White, A. Patout, K. Booth, E. Brown, M. Maginnis.

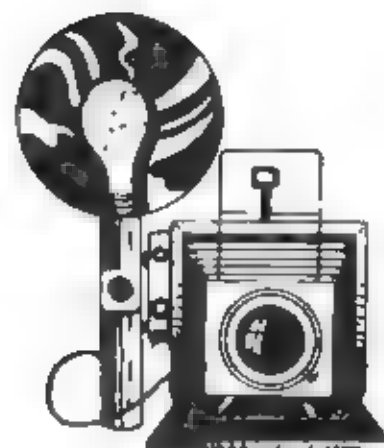

Soccer Club

Although the past season got off to a bad start when the club couldn't find a moderator, the club members decided to make a go of it and did quite well. The coming years look even better because few players graduated, leaving a good nucleus for the future.

Photo Club

Conifer

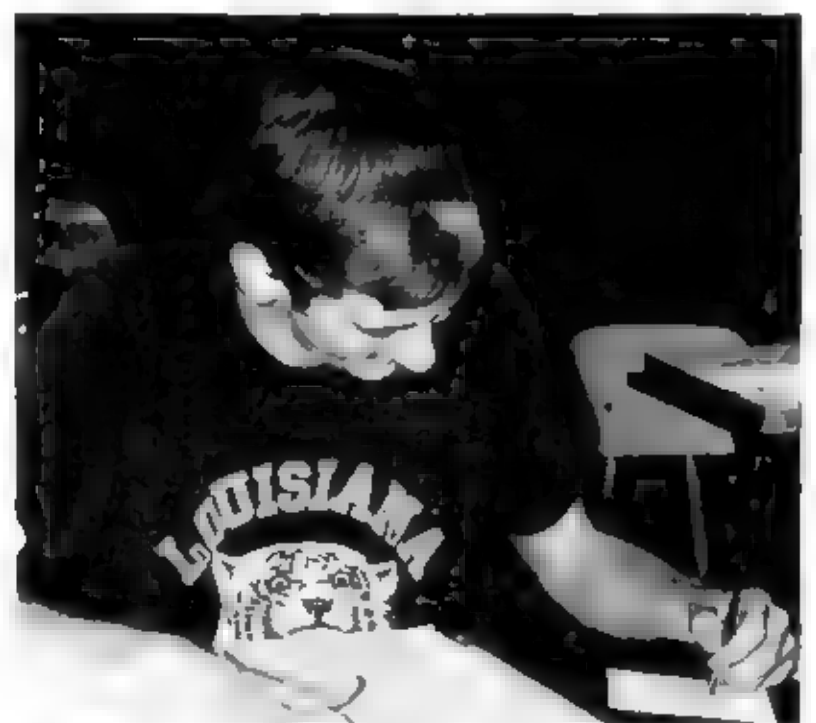

The staff this year was composed of seven very hard working, active members and a staff of four photographers.

Middle: (left to right.) Co-editor Hank Miltenberger, Moderator, Mr. Hanns Pieper, and Co-editor Larry Smith.

Bottom left: Co-editor Pete Garcia.

Bottom right. The staff photographers, *(left to right)* Jim Haley, Frank Odde (coordinator of photographers), Bob Geiger, Al St. Raymond.

Key Club

The aim of the Key Club is service to the school and the community. The club has sponsored several fine events this year such as the Thanksgiving Food Drive. Members of the club also assisted in teaching needy children at the Coffee House. The Conifer staff would like to extend its thanks to the club for its fine work.

Visit To Keesler

During the course of the 1969-1970 session the St. Paul's A.F.R.O.T.C. made several trips to nearby Keesler Air Force Base in Biloxi. Shown here are several pictures from the first trip. Cadets were shown the weather station, lifesaving devices, hangars, control towers and classrooms.

Introductory Dance

Top: Everyone enjoyed the performance by the band.
Bottom left: Jimmy Caine and date concentrate on the music.
Bottom right: Everyone does his own thing as the band plays another familiar song.

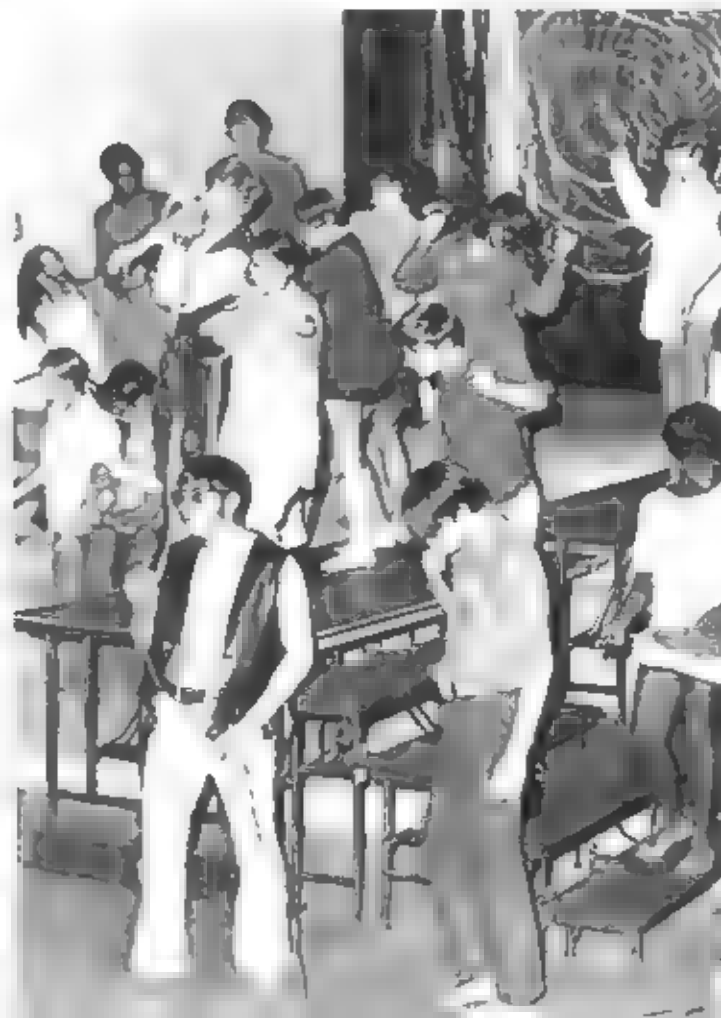

*The
"In"
Crowd*

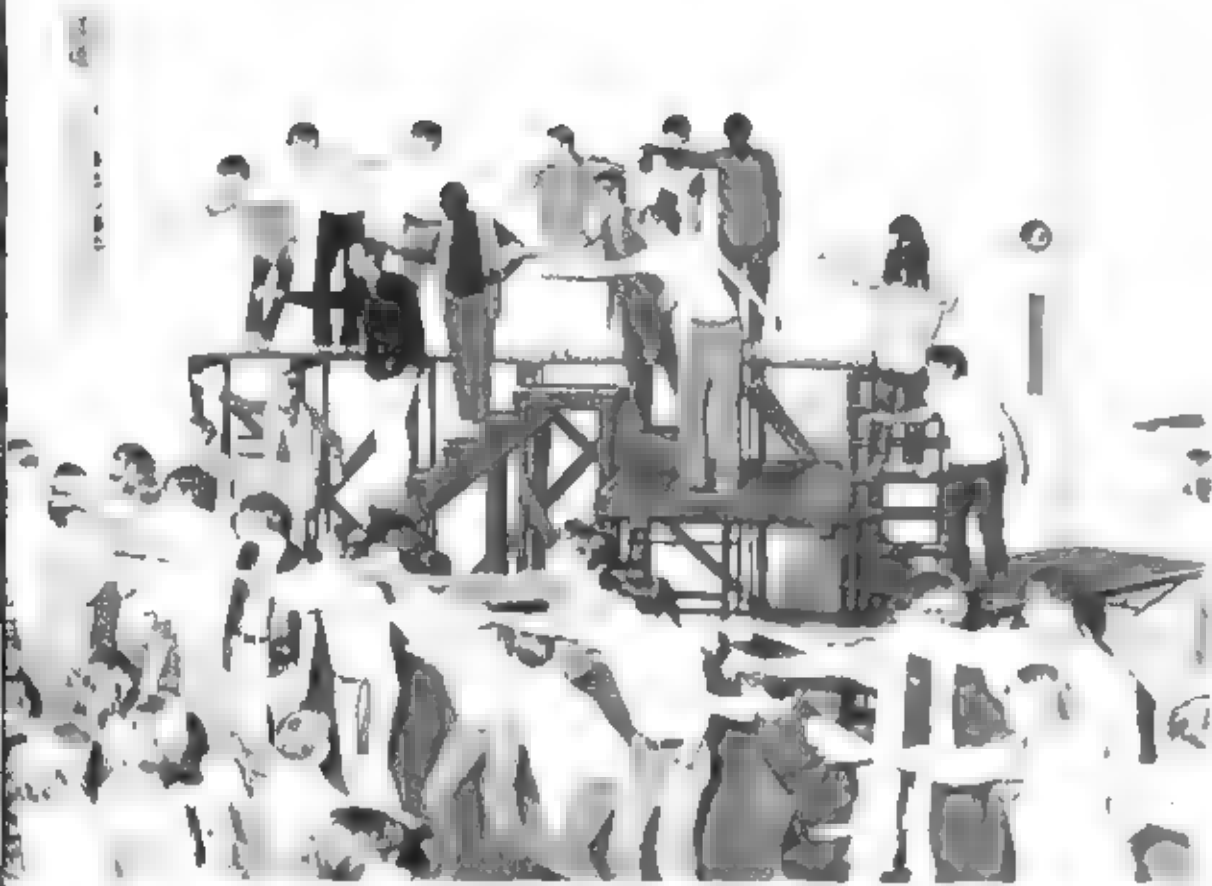

Montage

Montage of Time was indeed a brilliant production. The cast consisted not only of students from St. Paul's but also students from other area high schools.

Of Time

The play was so successful that an additional performance had to be scheduled. Later the play was presented at the Thespian Convention of Plays where the cast received a standing ovation.

Homecoming

Pep Rally

This year's Pep Rally was one of the best ever. Our new band really added to the spirit and the seniors did a good job of organizing the rally.

The juniors (*above*) and the seniors (*left*) put on humorous skits to the enjoyment of everyone.
Below: Coach Jacobs promises a hard fought game.

Bonfire

Homecoming

The parade, although not as large as the year before, had some well decorated cars.

This year the Court was provided with plenty of convertibles, thanks to a friendly car dealer who donated their use to the Wolfpack.

Parade

Pre-Game Ceremonies

Before the game began the Court arrived to view the game from their special platform on the 50 yard line. The winners of the parade also passed in review of the fans.

The Game

In the first half the Wolves gave a good account of themselves, making it an even contest.

Half-Time

Bottom left: The 1969 Court paraded onto the field to view the crowning ceremonies.

Bottom right: Ed Deano, president of the Student Council, crowns Miss Donna Miramon Queen of the 1969 Homecoming.

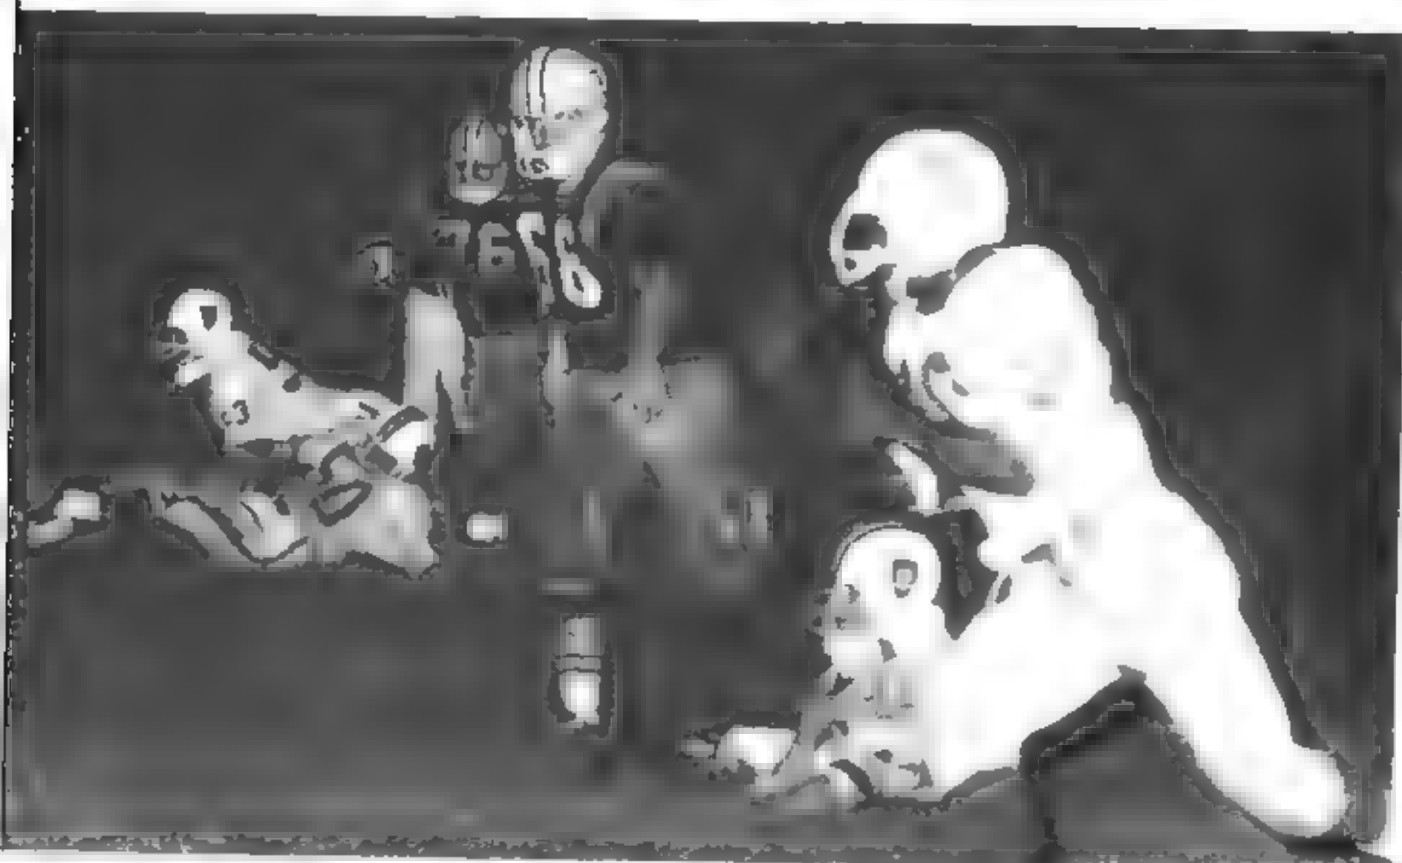

Top: After the ceremony the Court returned to their seats to watch the second half of the game.
Below: The traditional burning Wolves was lit to highlight the halftime show.

The Wolfpack played a great second half and led for a large portion of the half, only to be beaten in the closing minutes of the fourth quarter.

Initiation

After a week of pushing pennies and polishing shoes came the day of judgement. Justice was not always neatly and quickly administered. It was all taken in good fun, however, and the freshmen were officially welcomed to the high school.

*Top: Senior judges await the beginning of the trials.
Bottom left: "Slaves" pay homage to their master, Hank Mittenberger.*

Top left: Senior administer the "just" sentences handed out by the court.

Top middle: Enter the accused.

Bottom: Those who have paid their debt to society are free to leave.

Far right: The courtroom definitely could use some cleaning up.

Senior-Faculty Football

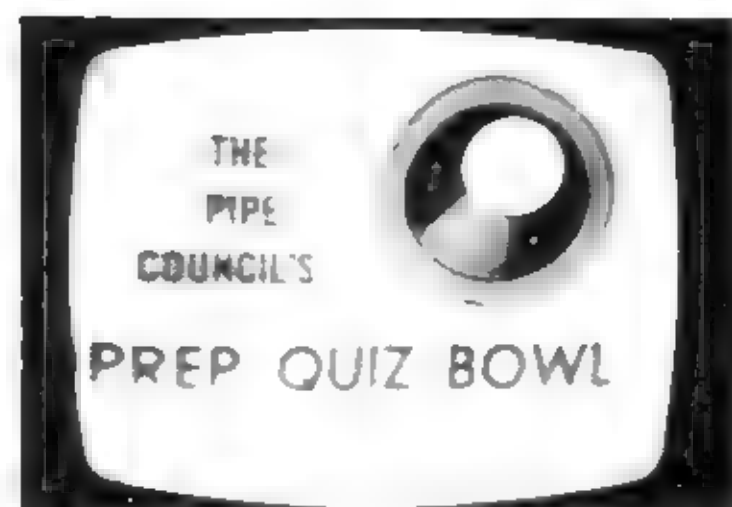

This year the faculty team just proved too strong as they avenged their loss to the seniors last year. The game was a closely fought event and the outcome wasn't certain until the very end.

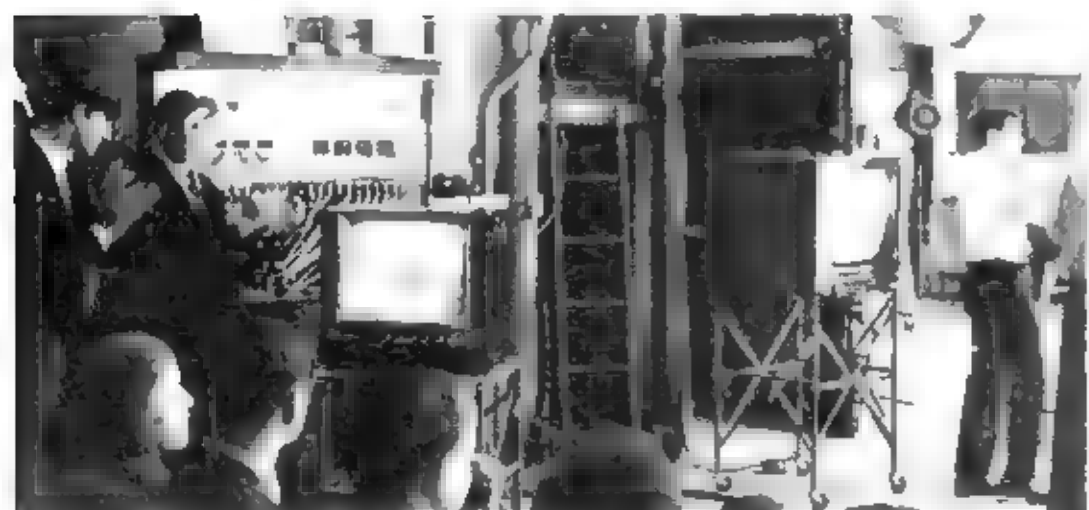

Prep Quiz Bowl

This year St. Paul's participated in the Prep Quiz Bowl, a program presented weekly in New Orleans. Representing St. Paul's were David Williams, Mike Toomey, Greg Nothacker, Dwight Doskey. The team was coached by Mr. Leonard Lassen. The questions were difficult and unfortunately when the final gun went off St. Paul's found itself on the low end of the score.

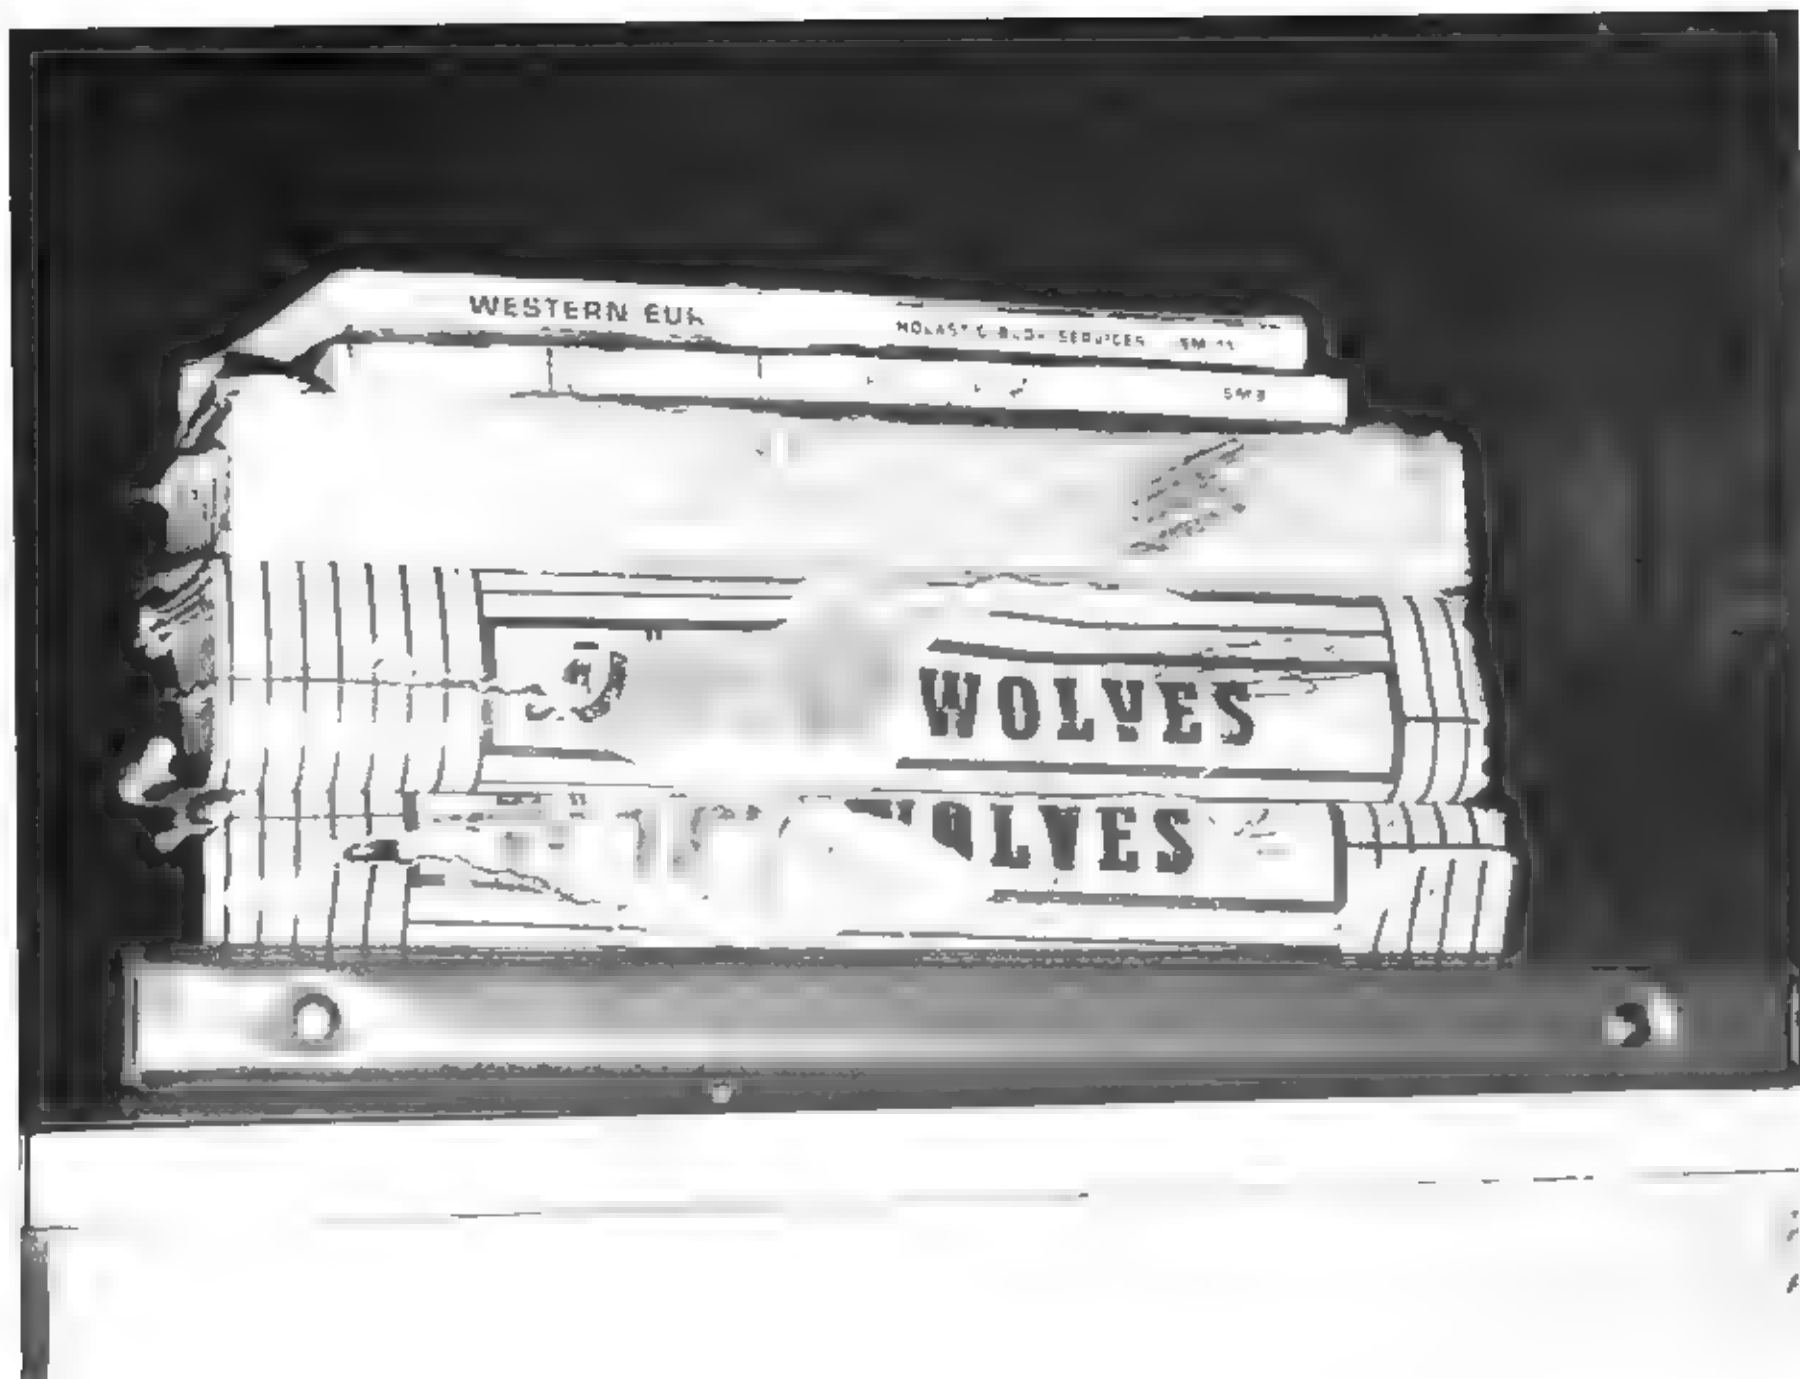

A.F.R.O.T.C. Leads Veterans' Day Ceremonies

Honoring all the men who have fought and died for the U.S, the A.F.R.O.T.C. presented their first Parade and Review. The parade was followed by a flag raising ceremony and speeches by several guest speakers.

Second Semester

Faculty-Senior Basketball

This year, notwithstanding, the tremendous effort of the seniors, the faculty won again.

Top left: Coach McGreevy sends the ball toward the basket despite J. Miller's efforts.

Bottom left: Coach Jacobs gets another two points.

Below: Brother Emmet seems to have a problem about what to do with the ball.
Bottom: Coach Peters adds a bucket.

Jr. R.O.T.C.

1970 marked the year of the first military formal at St. Paul's. The decorations were among the year's best and Air Blues dominated the dance floor although civilians were allowed in coat and tie.

Formal

Boxing

Throughout the year the sophomores sponsored boxing matches to allow students to pit their pugilistic talents against each other. For those not so actively inclined the matches provided an evening's entertainment.

Frosh Dance

Jr.-Sen. Prom

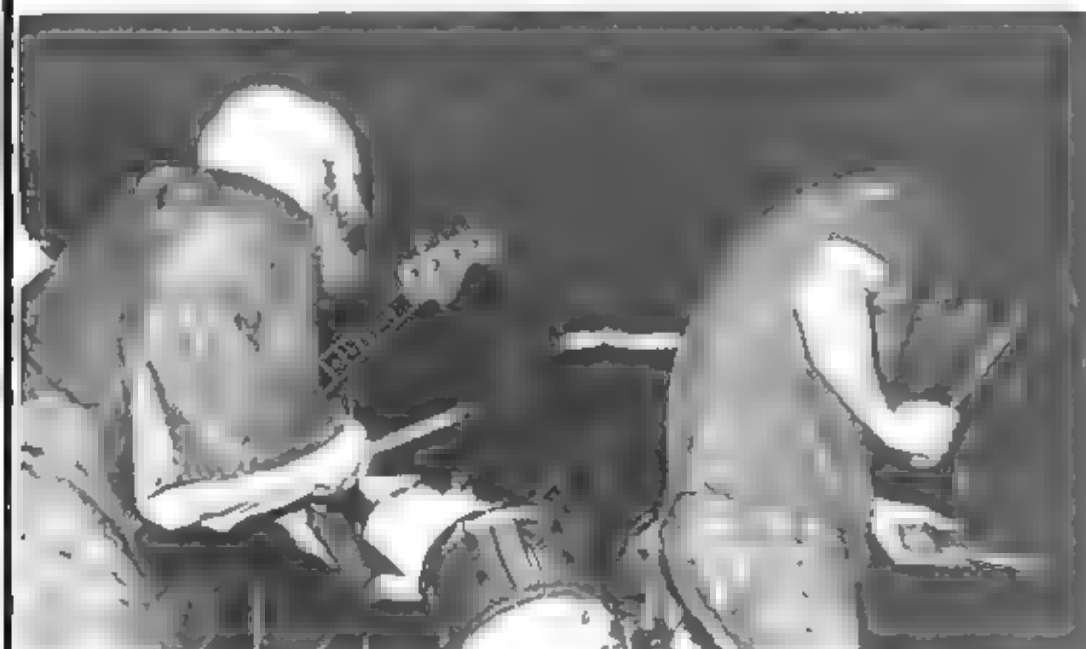

The 1970 Prom was held at Rivergate and the White Clover provided the sounds of the evening. More students than ever before attended the prom so more people than ever had a good time.

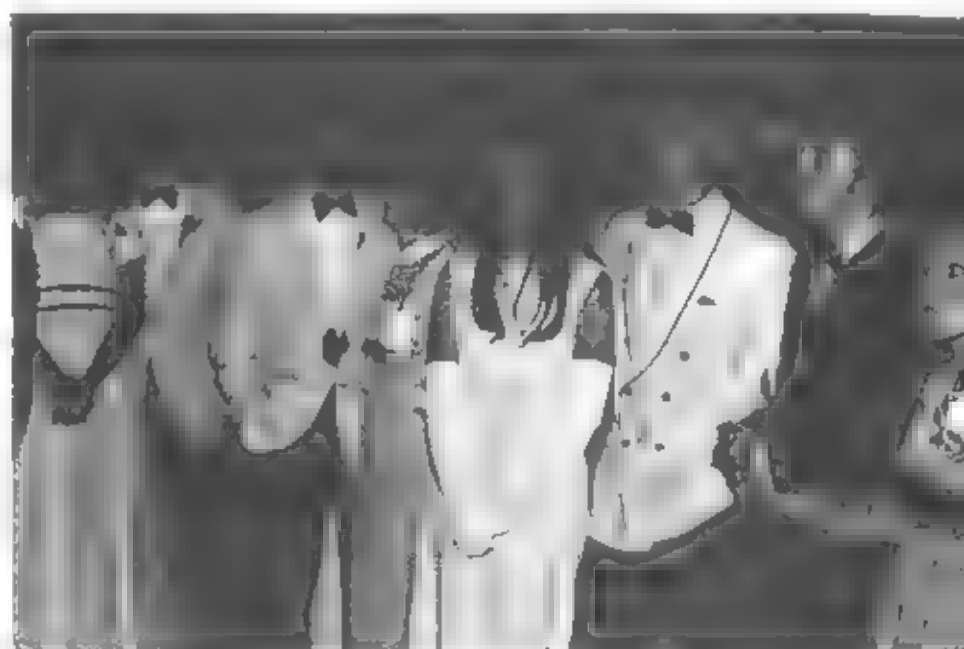

Most of the pleasant evening was spent just socializing with fellow students and dates.

White Clover put on quite a rock show and proved themselves capable musicians.

A lot of times was spent just watching the band perform.

Many students like Don Bohn and date Donna Miramon danced the night away.

Athletic Banquet

This year's banquet was ably presided over by Brother Richard (Gimme a "W"). The occasion was well attended and all had a good time. Top honors went to Joseph Pedone (Student-Athlete) and David Griener (Jimmy Dunn Award).

S.S.A.-St. Paul's Science Fair

This year's fair was definitely an exhibition of outstanding science projects. Many of the students took their projects to the regional fair in Hammond.

Among the students who received first prize honors in Hammond were: Senior Division; Joseph Spalitta, Michael Beshoner, Warren White, Craig Vitrano. Junior Division: Richard Nieset. Richard Nieset also won the Best of the Fair award in the Junior Div. and Craig Vitrano won the same award in the Senior Division.

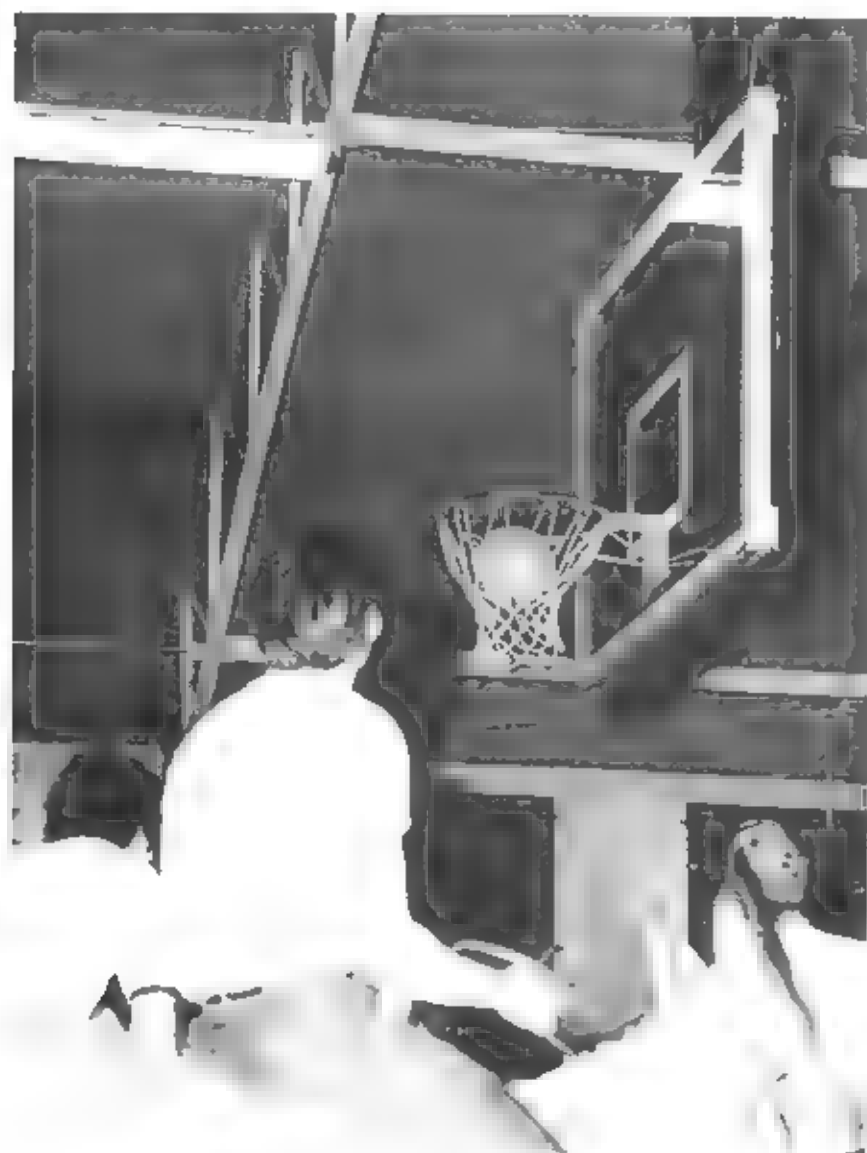

Donkey Basketball

The Donkey Basketball game, which is sponsored annually by the Student Council, is one of the funniest and most enjoyable events during the year. This year the seniors won over a thoroughly exhausted but tough faculty squad.

The Apple Tree

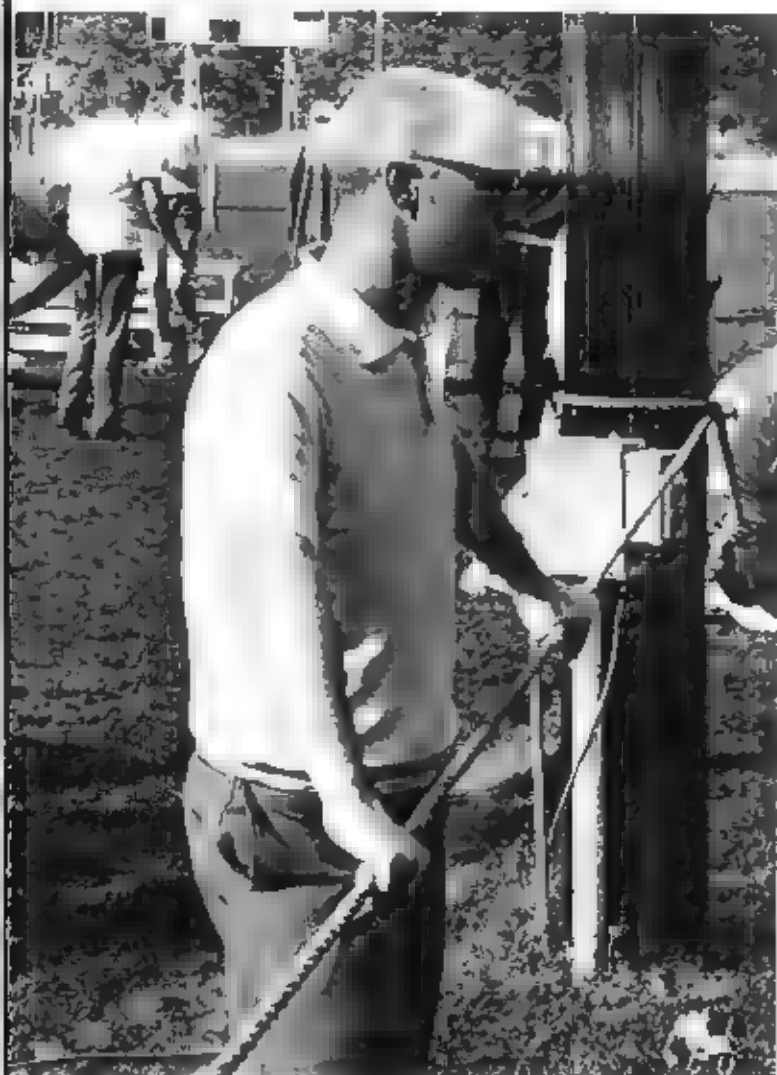

Three One-Act Plays

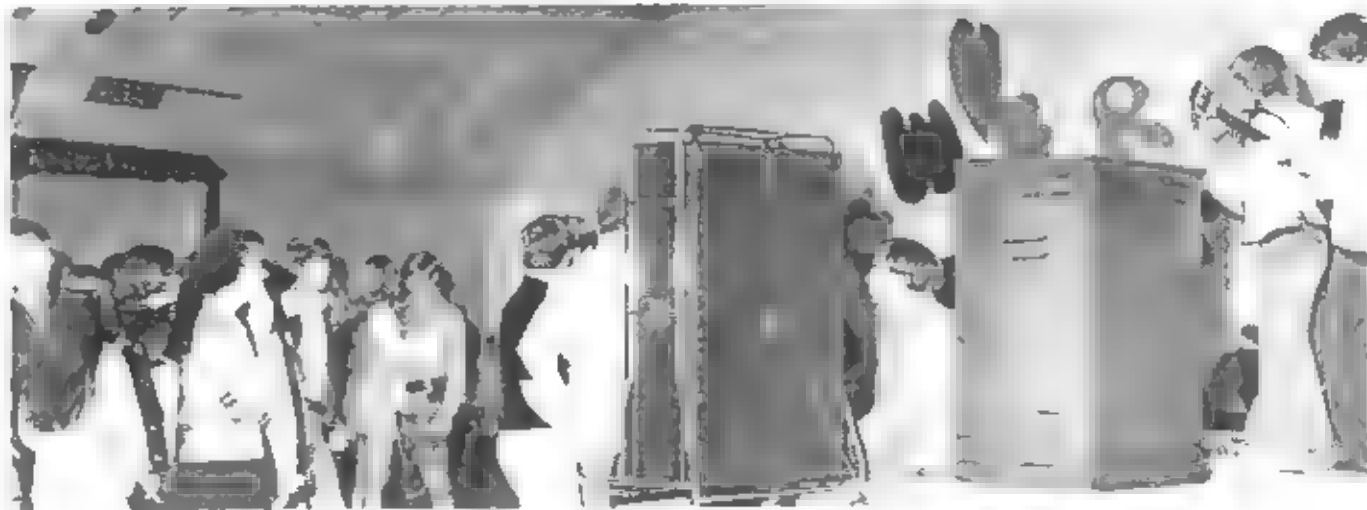

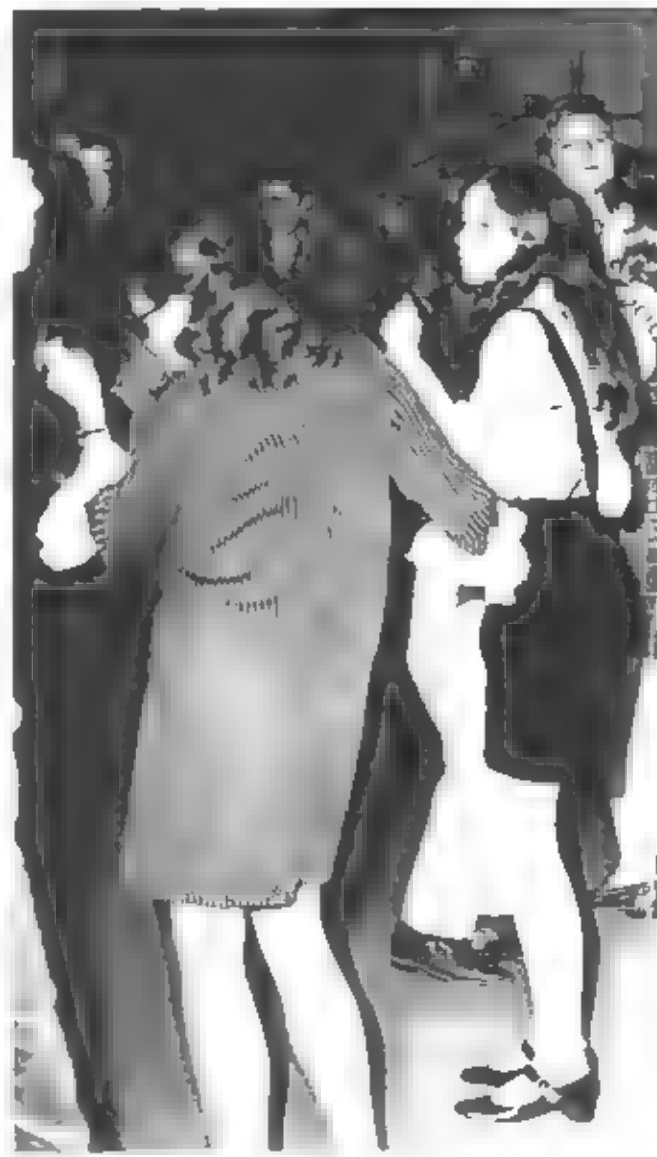

Christian Brothers Day

The 1970 Christian Brother's Relay Meet, dedicated to Brother Richard, was a big success in spite of the rainy weather which continued until the meet was over. Events were held between showers, and St. Paul's placed fourth.

Sophomore Dance

Award Night

This year's award ceremony was held to honor achievements in service as well as studies. The ceremony ran smoothly and judging from the smiles the students were very proud of their honors.
